

Volunteer Training Guide

Planning your visit to EcoLand requires training of all adult volunteers. To help with EcoLand preparations we have created this Volunteer Checklist. Please visit www.ecoland.esc7.net and use the guide provided for each visit to EcoLand.

Click the Teacher Resource tab. The below listed items are intended as a guide to train all adult volunteers prior to your visit.

Select the "Activity Training Guide." This guide contains an overview of all activities, their description, and aligned standards for each grade.

Activity Training Guide

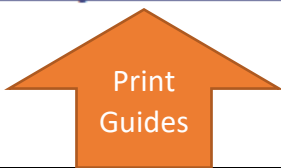

NOTE: It is not necessary to print the entire guide. Rather, only print information for rooms you are visiting. You may also print guides separately as shown below.

Each Learning Center contains the following sections: Learning Center Guide, Pre/Post activities, downloadable resources, student videos and a management video. Please see below for examples of where to locate these items.
